## LETTER OF AUTHORISATION

RE 199080

To Whom it May Concern,

This letter is to certify that Mr Martin Breen is authorised to fundraise for the Mater Hospital Foundation.

Martin is organising a golf event in Rathfarnham Golf Club on the 31<sup>st</sup> May 2024. Funds raised will support the Pulmonary Hypertension Unit at the hospital.

It is thanks to the fundraising efforts of our loyal supporters like Martin, his family, colleagues and friends that the doctors and nurses can provide the absolute best care to critically ill patients when they need it most.

Teams of 4 are 1000.00 this includes dinner and prizes . You can also sponsor holes and tee-boxes for 200.00 each.

Professor Gaine, Head of the Pulmonary Hypertension Unit will speak briefly at dinner that evening. We wish you every success.

Please note that spots are limited and filling up fast.

We are so grateful to have such a dedicated community of supporters who go that extra mile for our wonderful hospital each year.

It is thanks to them, and kind people like you supporting them, that we can make the ordinary, extraordinary, and advance patient care.

We hope you can support them in some small way as they commence their fundraising journey.

Yours sincerely,

Angi McNulty  
Community & Events Specialist
